Sauk Valley Community College

Team Pledges

If you are forming a team for the Florissa Family 5K to run or walk for a specific individual, please use this form to collect donations. Feel free to copy this form for additional donors.

The Team that raises the most donations will receive a team trophy. Persons pledging do not have to walk with the team. This is a way to participate without walking or running, while still supporting the programs of Florissa, which assists children 0-18 years old with developmental, behavioral, social or emotional needs.

Please attach the regular registration form to the team form for all persons running / walking so the waiver release is signed.

**Thank you for your
Team Work!**
