Administrative Assistant / Florissa

Candice Helfrich is the face of Florissa as our Administrative Assistant. She joined our team in March 2015. She comes to us from nearly 20 years of teaching in a daycare setting, so she interacts well with children and their parents. Her kind, warm demeanor helps families feel comfortable when they walk in the door and get ready to meet with our providers. She is also a native of the area and can help families navigate the town. Her recent promotion includes facilitating electronic records, taking care of payments, and working with insurance issues. Call her with any questions and she will try to help!
